

FRAUD & FORENSIC ACCOUNTING SERVICES

BRESLOW  STARLING

Certified Public Accountants

QUALIFIED PROFESSIONALS

From financial statement manipulation to falsified expense reports, fraud victimizes businesses of every size. The fraud and forensic accounting professionals at Breslow Starling help organizations spot fraud – often before serious damage is done – and establish systems and procedures to prevent vulnerability.

Our professionals will utilize their expertise to obtain both quantitative and qualitative information to detect patterns or inconsistencies where fraud may be suspected. Using a set of investigative techniques and procedures, they look for “red flags” that may indicate fraud. Our team is a proactive group of professionals who provide responsive, flexible and personalized client service and best-practice ideas — delivered with **competitive pricing, meticulous attention to detail and exceptional client service.**
